This certificate is designed to provide students with the skills necessary for various careers in the media content creation industry or for transfer to another institution. This concentrated approach will provide training for first time employment or for professional development. Students in this program will gain hands-on experience using industry standard hardware and software at a basic level, and then focus their studies through upper level elective courses.

This certificate is a Career Program (CTE) is not designed for transfer, however, many colleges and universities accept the coursework. Most 200 level TVRA courses transfer as lower level electives. Visit [transfer planning](#) for more information.
