Memorandum

To: Montgomery College Community
From: Mr. Steve Greenfield, Interim Vice President and Provost for Applied Technologies, Gudelsky Institute for Technical Education, and Workforce Development and Continuing Education
Subject: **Appointment of Acting Dean**
Date: June 7, 2023

I am pleased to announce the appointment of Ms. Transcie Almonte-Sabio to serve as the acting dean for Business, Information Technology, and Safety (BITS). Ms. Almonte-Sabio brings over 16 years of program development and management experience at Montgomery College to the position, which she started June 2.

Ms. Almonte-Sabio joined Montgomery College as a senior program assistant in 2007 developing and delivering open enrollment and contract courses. She was selected as the acting program director in 2009 and program manager in 2012, providing oversight, leadership, and guidance for successful outcomes for students in management and leadership, human resources, and project management programs, in addition to her previous duties. Her additional work has included developing partnerships for the area, scheduling and hiring staff and faculty, and implementing special projects and programs, such as Disney's Leadership institute, the Project Management Certificate program, the Advanced Placement Summer Institute, the Clinical Trials Project management program, and the annual Mediation Colloquium.

Previous to her work at Montgomery College, Ms. Almonte-Sabio worked for several organizations in the Philippines over the course of 16 years, including the U.S. Peace Corps as a technical and cross-cultural trainer; the Philippine Refugee Processing Center for their Work Credit Enhancement Program; Foster Parents Plan International as a program manager; and for Pearl S. Buck International as a sponsorship and grants manager.

In addition to her work portfolio at Montgomery College, Ms. Almonte-Sabio is a graduate of the Leadership Development Institute, a certified program planner, the WDCE Council chairperson for FY21 and FY22, and past secretary and incoming chair to the Business Solutions Advisory Group for the Maryland Community College Association for Continuing Education and Training. She also holds memberships in the Learning Resource Network (LERN) and the Society for Human Resources (SHRM).
