Course Schedule | Spring 2025

Learn a World Language—Expand Your Opportunities

Workforce Development and Continuing Education

montgomerycollege.edu/wdce | 240-567-5188

World Language classes can help you realize your goal of learning a new language without worrying about grades or big exams. In most languages, all levels are taught, from beginner to advanced. Not all courses are offered every semester. The goal of our language courses is to help you communicate in the language as quickly as possible. Part of every class is devoted to conversation practice; grammar is taught to support this goal of communication. You will be delighted with how much you are able to say, even after the first class.

Textbooks for World Language Classes

Most world language classes with a course code beginning with 'LAN' require textbooks. Many texts are used for more than one year of study. Text costs are in addition to course fees. You may purchase your book through the Rockville Campus Bookstore. Go to bkstr.com/montgomerycollege.store/home for more details about purchasing, buybacks, returns, contact information, etc.

World Language Students: Not sure of your level?

Ask yourself: If I am in a situation where I must speak the language, how well am I able to understand and be understood? Then read through the course descriptions and register for the level that seems most appropriate. When you go to the first class you may confer with the instructor and then transfer to a more appropriate level if necessary. If you need more assistance, contact Laura Weihrauch at laura.weihrauch@montgomerycollege.edu or 240-567-1862.

Co-Listed Classes

Classes marked with this code (**CoL**) are co-listed. They are offered so that students may register either for credit or continuing education (noncredit) status. Co-listing gives students an option to choose the best path for their educational needs. Each section includes both credit and noncredit students. For students seeking credit classes, please consult the credit course schedule. The expectations for attendance, participation, and effort are the same for all students. Any non-credit student who enrolls in a co-listed class must be prepared to document that they meet the applicable credit class assessment/prerequisite requirements upon request and in specific classes, the student will be required to be assessed prior to enrollment. Instructors will announce policies concerning class activities. If you have questions about readiness/assessments, please contact the listing program/department.

If you have registered as a noncredit student in a co-listed course and you wish to change from noncredit to credit status, you will have one day after the class has begun to do so. After that, you are committed to your path as a noncredit student for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status. Dates for co-listed classes may reflect the actual credit term dates. Please check the day on your calendar for the actual start date of your class.
